C.G. Conn®

MOVING FORWARD...
AT THE SPEED OF SOUND

Made in U.S.A.

CONNstellation® Trumpets

Model 52B in Key of Bb

Model 51B in Key of C

C.G. Conn has long been known for innovations in trumpet performance. Instruments such as the famous *Wonder* Cornet of 1886 and the *New Wonder* Cornet of 1915 brought advanced features and were some of the most popular instruments with players of the time. The *CONNstellation*® model 38B was a unique performer in its own right, adding to the Conn legacy for over two generations.

Today, modern trumpet performance requires more flexibility than ever. The new *CONNstellation* trumpets offer easy and quick response; a consistent, vibrant tone in all registers and the unique **MVS (Modular Valve Weight System)** (patented). The MVS allows each player to change the sound and response of the *CONNstellation* trumpet by adding or removing weight. The *CONNstellation* trumpets – continuing the C.G. Conn legacy of innovation.

CONNstellation Model 52B

- Key of Bb
- .462" (11.73mm) bore
- 4-7/8" (124mm) seamless bell
